

Take the Highway Safety CHALLENGE! Do your part to help prevent highway fatalities by:

- Buckling up
- Avoiding distractions
- Sharing the road
- Obeying speed limits
- Driving drug-and-alcohol free

For more information on the Virginia Highway Safety Challenge and ways to avoid becoming Virginia's next traffic fatality, visit www.safeVAhighways.org.

Hot Spots for the Fredericksburg Region November 29 – December 4, 2009

Stafford County

Interstate 95

Monday – Thursday, 10 p.m. – 4:30 a.m.; crews will be installing continuous traffic counters on I-95 south just south of just south of Exit 143 (Rt. 610/Garrisonville). Two lanes will be closed in the work zone.

Monday – Thursday, 10 a.m. – 4:30 p.m.; motorists should be alert to crews working on the shoulder of I-95 south just south of Exit 143 (Rt. 610/Garrisonville). Crews will be installing continuous traffic counters. No travel lanes will be closed.

Spotsylvania County

Interstate 95

Tuesday – Wednesday, 10 p.m. – 5:30 a.m.; motorists traveling north on I-95 will be periodically stopped for not more than 15 minutes just south of Exit 126 (Rt. 1/Spotsylvania). Crews will be setting the beams for the new Spotsylvania Parkway bridge over I-95. Safety Service Patrol and Virginia State Police will assist with the traffic stops. In the event of rain this work will take place on Thursday night.

Monday – Friday, 7 a.m. – 3 p.m.; one lane will be closed to traffic on I-95 south just south of Exit 126 (Rt. 1/Spotsylvania) for construction of the new Spotsylvania Parkway bridge over I-95.

Route 639 (Bragg Road/Fall Hill Avenue) -Ongoing Construction Project

Motorists are reminded that all traffic has been shifted to the new lanes on Bragg Road between Route 3 and the entrance to Central Park. The Bragg Road entrance to Giant remains only open to right turns in and out. This is an active work zone and motorists should be alert to construction crews and equipment in this area.

King George County

Harry Nice Bridge (Rt. 301)

Monday – Friday, 8:30 a.m. – 5 p.m.; motorists will be restricted to one lane on the bridge. Crews will be installing a fog detection system on the bridge. In the event of high traffic volumes on the bridge on Monday, work will begin on Tuesday. Signs and/or flaggers will direct motorists through the work zone.
